# We make the world more colourful.

We produce the item to your wishes choosing from a variety of standard colours or special requirements (colour sample or Pantone). Be it translucent, opaque, daylight colours, with glitter or metallic effect.

There are no limits to your colour request. All our colours correspond to the applicable regulations and directives in Germany and the EU. Address the realization of your ideas to us with confidence.

## Legal notice.

Our catalogue is only intended for buyers who wish to use the goods and services exclusively within the scope of their independent professional, commercial, official or business activities and not for private individuals. All information on goods and services is non-binding and does not constitute a legally binding contractual offer, but only a so-called „invitatio ad offerendum“ (an invitation to submit an offer). **If prices are stated in the catalogue, these are indicative and non-binding industry prices in EUR (for stand see back of catalogue) plus statutory VAT. In addition, if applicable, there are costs for finishing and other ancillary costs such as packaging, shipping and transport costs, customs duties etc., as well as (if applicable) the statutory value added tax.** The product illustrations are not binding. We will be pleased to send you a sample for a precise assessment of the guaranteed properties and functions as well as the colour accuracy of a product. This sample is binding for placing an order. In the case of articles with advertising imprint, we will be pleased to provide you with a proof sample for binding

approval of the print, the printing stand and the product characteristics. All articles with customer imprint shown in this catalogue are only for the performance presentation of the printing technology and for reference purposes. The rights to the illustrated logos and brand names as well as to the illustrated custom-made products belong exclusively to the respective copyright/brand owners. Please note that in the case of set items which are marked „Made in Germany“ or „Made in Europe“, it is possible that not all individual components of the set are manufactured in Germany or Europe. However, it goes without saying that the main manufacturing or processing steps for sets marked accordingly are carried out in Germany or Europe (depending on the marking). Only the laws of the Federal Republic of Germany apply to the contractual relationship. The UN Convention on the International Sale of Goods (CISG) and the referral provisions of German international private law (IPR) shall not apply. Errors and misprints reserved.

### **Benefits.**

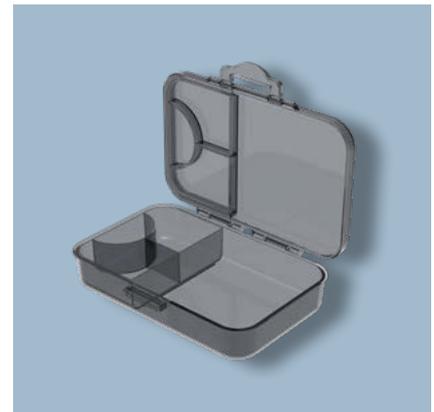

- ✓ High quality standards.
- ✓ Short transport routes.
- ✓ Planning reliability.
- ✓ Fast delivery times.
- ✓ Well-thought-out, functional product design.
- ✓ Fast and uncomplicated order processing.
- ✓ Job security.

# QUALITY for life.

Thinking ahead and developing further. Our clear competitive advantage is our in-house production at the sites in Bavaria, Germany and Europe. Through state-of-the-art production techniques and dedicated employees, we are able to offer the best quality, high efficiency, competitive prices and an exemplary eco-balance. Individual processes and subsections can be monitored precisely and production sequences can be matched – which offers additional advantages: short delivery times, high project flexibility and reliable adherence to schedules.

  
*Quality Made in Germany.*

  
*Quality Made in Europe.*

# GLOBAL Sourcing.

Everything, worldwide, simple. Loyal to our location, we strengthen production »Made in Germany« - at the same time, we follow international innovations and trends to expand our extensive product range. As an experienced importer, we have a well-developed global network of suppliers and partners. We thus have an excellent global network and use innovative supply chain management within reliable international structures.

# HIGH TIME FOR NEW THINKING.

In economic, ecological and social terms: Because what we do today determines what the world will look like in future. We are therefore committed to a holistic sustainability strategy and to products that fulfil these standards.

**Resource efficiency**

**Investments in eco-friendly systems**

**Utilisation of photovoltaic energy**

**Reduction of the CO<sub>2</sub> balance**

**Improvement of working conditions**

**Strengthening of Made in Germany production**

# Plant-based bioplastic.

MADE IN GERMANY

## What is bioplastic?

**elastoNature plastics are environmentally friendly alternatives to conventional plastics.**

elastoNature consists of carbohydrates (e.g. maize or sugar cane) mixed with mineral fillers.

The basic building material of the plant-based plastic is carbohydrates, which are converted into plastic through chemical processes. The carbohydrates thus replace crude oil.

They are bio-based, can be biodegradable or long-lasting and offer a more sustainable option for reducing dependence on fossil raw materials in plastics production. The market for this has been growing for several years.

## Benefits.

- ✓ Durable and robust bioplastic.
- ✓ Free from harmful substances such as BPA, PFAS, formaldehyde or phthalates.
- ✓ 100% recyclable.
- ✓ Dishwasher-safe.
- ✓ Sustainably produced in Germany.

## Complete freedom without deposit system.

- ✓ One-off costs due to purchase.
- ✓ Own promotional item with individualisation.
- ✓ Quality Made in Germany.
- ✓ Return to the recycling process and use of recycled material.

# The box has had its day? Give it to me!

We recycle together! Once our boxes have done their job, we take them back free of charge and recycle them completely. The recycled material is turned into a wonderful new item and the cycle starts all over again.

By using recycled material, we actively conserve resources. In this way, we increase the sustainability of our products and set an example for the responsible use of plastic. This is our contribution to protecting the environment.

## 01045 Shaker „Protein“, small

Prepare a protein shake after the work out. This transparent shaker with embossed scale divided in steps of 50 ml and screw cap with lockabledrinking opening contains a removable screen so that the liquid and the shaking powder mix optimally. The shaker can be completely disassembled and therefore cleaned thoroughly. Capacity: 0.4 litres.

156 mm x Ø 88 mm

60 Unit, Bulk

## 05108 Shaker „Lagoon“ 0.5 l

Transparent cup and lid with screw top. Ideal for mixing of shakes or other mixed drinks including fill line. Capacity: 0.5 litre.

Plastic/Polypropylene  
220 mm x Ø 90 mm

40 Unit, Bulk

## 01287 Insulated soup container „Take Away“

The „Take Away“ soup container is ideal for transporting and storing all kinds of foods - especially soups. The lower section consists of double-walled stainless steel. Thanks to the vacuum insulation, the temperature inside the container stays constant for a long time. The container is closed with an internal and external lid. Both are screw-fastening. The internal lid has a silicone seal and makes the container leakproof. Incl. folding spoon, which can be stored in the internal lid. Capacity: 0.5 litre.

Metal/Stainless steel  
171 mm x Ø 95 mm

24 Unit, Individual carton +  
Polybag

## 09593 Cereal beaker „Spoon“

The perfect breakfast beaker. Double-walled, transparent plastic beaker with extra fillable lid. Ideal for transporting yogurt or milk and the cereals or other ingredients separately. The enclosed plastic spoon is stored inside the holder on the silicone sleeve.

Plastic/Polystyrene  
100 mm x 175 mm x Ø 90 mm

50 Unit, Individual carton +  
Bubble wrap

Also available  
in bioplastic.

## 05145 Cereal bowl „2 Colour“ matt

With matt finish. One bowl made of two plastic parts which can be manufactured in different colours. The lower part of the bowl features an additional stand ring and is therefore particularly stable on the table. Stackable into each other and to be used as cereal or snack bowl. Capacity: 0.5 litres.

Plastic/Polypropylene  
80 mm x Ø 136 mm

45 Unit, Bulk

Also available  
in bioplastic.

## 01164 Cereal bowl „1 Colour“ matt finish

The perfect companion for tomorrow's breakfast. The muesli bowl has an extra integrated circular rim on the bottom, making it particularly stable. In a single colour and super stackable. Capacity: 0.5 litre.

Plastic/Polypropylene  
80 mm x Ø 136 mm

45 Unit, Bulk

## 05046 Bowl „Breakfast“

Stackable, attractive muesli dish with practical handles. Available in a large selection of trendy colours. Capacity: 0.5 litres.

Plastic/Polypropylene  
164 mm x 140 mm x 76 mm

150 Unit, Bulk

## 05135 Cereal bowl „Good morning“

A bowl does not necessarily have to be round. Great breakfast bowl in a rectangular shape with a rim for a better grip. Stackable.

GER

Plastic/Polypropylene  
162 mm x 162 mm x 62 mm

200 Unit, Bulk

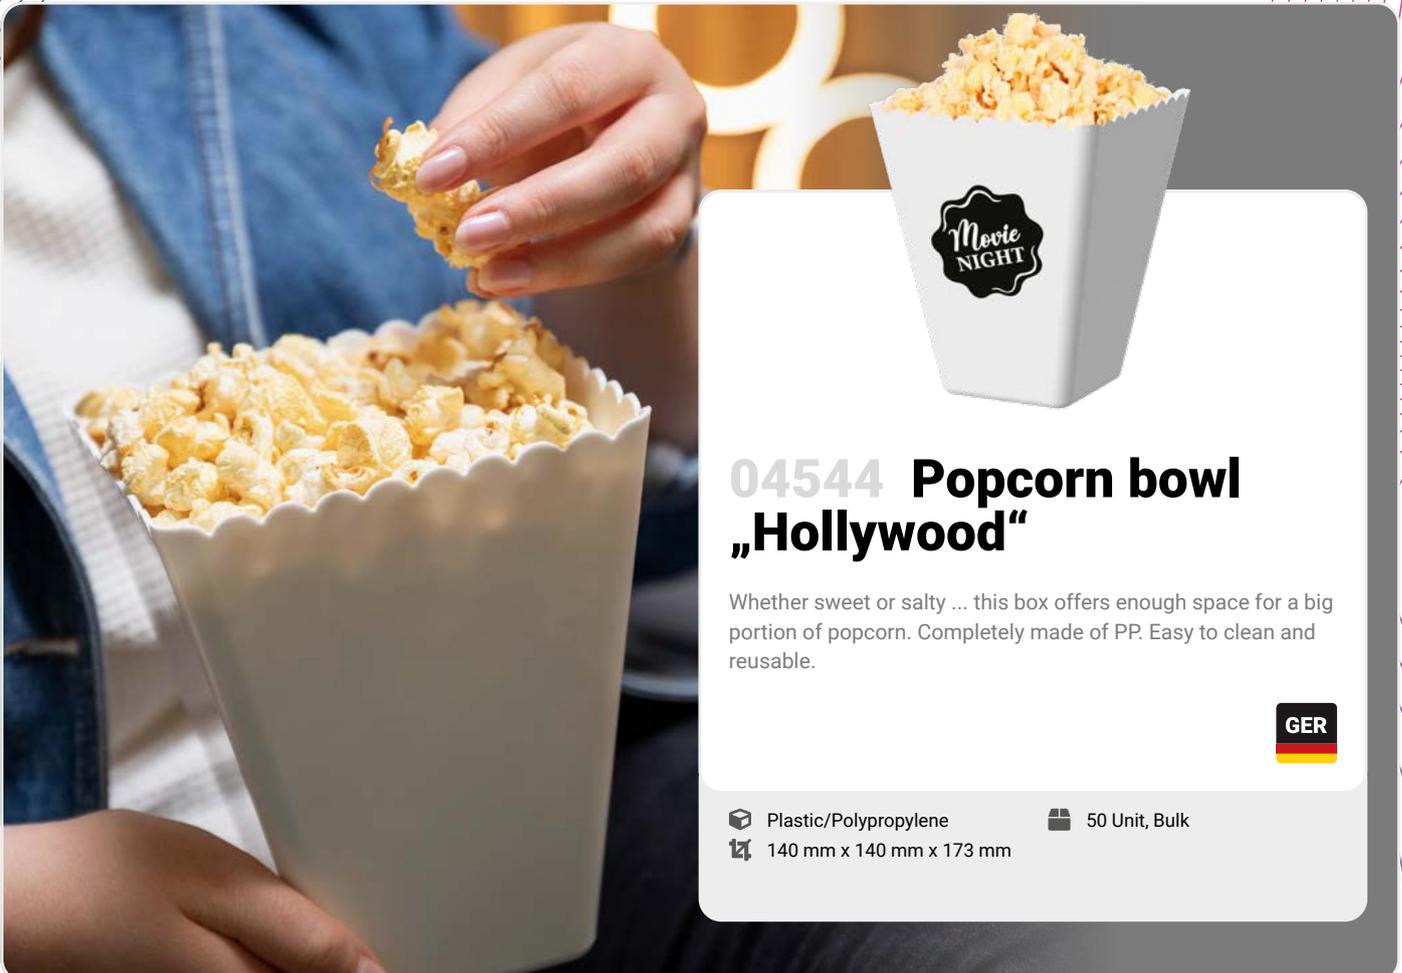

## 04543 Snack cup „Snaxiko“

In this way, the chips will jump for joy. Great, stable snack bowl made from plastic in triangular shape. One corner is separated by a wall and therefore ideal for filling in dips or sauces. Optimal for tortilla chips thanks to its exceptional shape.

GER

Plastic/Polypropylene  
212 mm x 199 mm x 55 mm

40 Unit, Bulk

## 04544 Popcorn bowl „Hollywood“

Whether sweet or salty ... this box offers enough space for a big portion of popcorn. Completely made of PP. Easy to clean and reusable.

GER

Plastic/Polypropylene  
140 mm x 140 mm x 173 mm

50 Unit, Bulk

## 04777 Cereal box „Cereal“

Whether flour, sugar or corn flakes – all of this can be put in this cereal box. Due to the removable lid and the large opening it is much easier to fill and pour out the contents. The curved shape guarantees a comfortable use. Capacity: approx. 2.5 litres

Plastic/Polypropylene

15 Unit, Bulk

218 mm x 110 mm x 215 mm

## 01550 Glass storage jar „Bamboo“, 375 ml

Environmentally-friendly storage container for keeping your kitchen and home tidy. The glass cylinder is made from high-quality borosilicate glass. The lid is in bamboo and has a silicon ring to ensure reliable closure. The large opening allows quick, easy access to stored foods, easy to clean and rinse. Exceptionally suitable for the storage of things like rice, noodles, nuts, flour, tea and spices. Capacity: 375 ml.

## 01552 Glass storage jar „Bamboo“, 1.6 l

# Make a difference together - with ISCC!

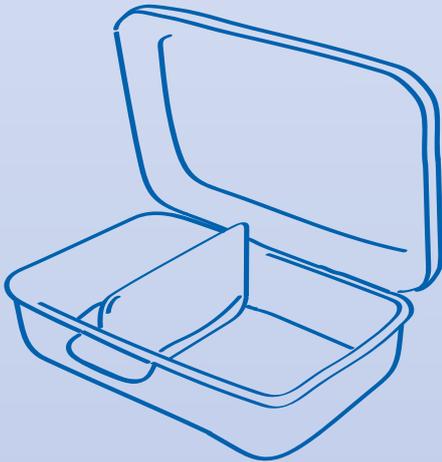

## What is ISCC?

ISCC (= International Sustainability and Carbon Certification) is an independent, global certification system on a voluntary basis covering the entire supply chain. It identifies the extraction of resource-conserving raw materials and the ecologically valuable products made from them.

## Why ISCC PLUS?

ISCC PLUS is the certification system for globally operating companies in non-regulated markets that offer final products.

## Our ISCC PLUS certified polypropylene.

# 87%\*

## BIO-CIRCULAR MATERIAL.

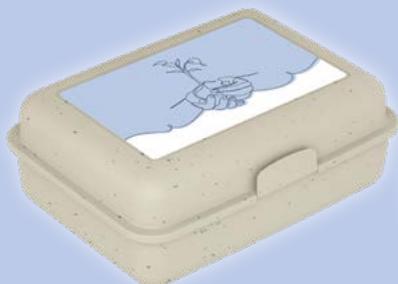

**Bio-circular Material** is obtained from waste sourced from forestry, agriculture and the food industry. Raw materials include: waste cooking oil, straw, forestry waste, pine oil.

\* Roughly 10% addition of conventional raw material required for production and roughly 3% addition of colour pigments.

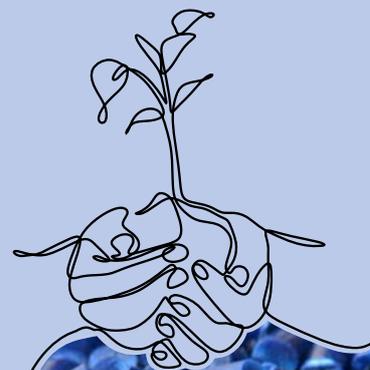

## Our items made from ISCC material.

### Sustainable raw material instead of fossil resources.

Our products are produced sustainably in Germany using our own green electricity. We are committed to the responsible use of plastic!

Quality  
Made in  
Germany.

Also available  
in bioplastic.

## 05236 Lunch box „School box“ large

Our all-rounder. Spacious lunch box with practical click closure for school, work or stockpiling. Available in many colours and optimally suited for IMould finishing.

Plastic/Polypropylene  
175 mm x 131 mm x 68 mm

50 Unit, Bulk

## 01032 Lunch box „School Box“ large with separating bowl

Plastic/Polypropylene  
175 mm x 128 mm x 69 mm

50 Unit, Bulk

## 05276 Storage Box „School Box“ medium with separator

Practical snack box with 1 click closure and removable separator. Available in many colours. Imould finish possible.

Plastic/Polypropylene  
160 mm x 116 mm x 50 mm

60 Unit, Bulk

## 05282 Storage box „School box“ middle

Plastic/Polypropylene  
160 mm x 116 mm x 50 mm

60 Unit, Bulk

## 05296 Lunch box „School Box“ deluxe, without separating sleeve

## 08457 Lunch box „Metallic“

Fantastic aluminium snack box with clamps for secure closure. The lid can be completely removed. Available in matt and shiny.

 Metal/Aluminium  24 Unit, Paper sleeve  
 180 mm x 120 mm x 55 mm

## 01647 Storage container „Apart“ 17x13x6 cm

Ideal for lunch or for a snack between meals. The stainless steel storage container can be used time and again, which makes it a perfect environmentally friendly alternative to aluminium foil and cling film. The securely welded compartments inside the box - visible at the weld points on the underside of the box - keep various foods safely separated. It features a sealing ring and sturdy clamps at the sides. Not suitable for liquid foods.

 Metal/Stainless steel  
 170 mm x 130 mm x 60 mm

 16 Unit, Individual carton + Polybag

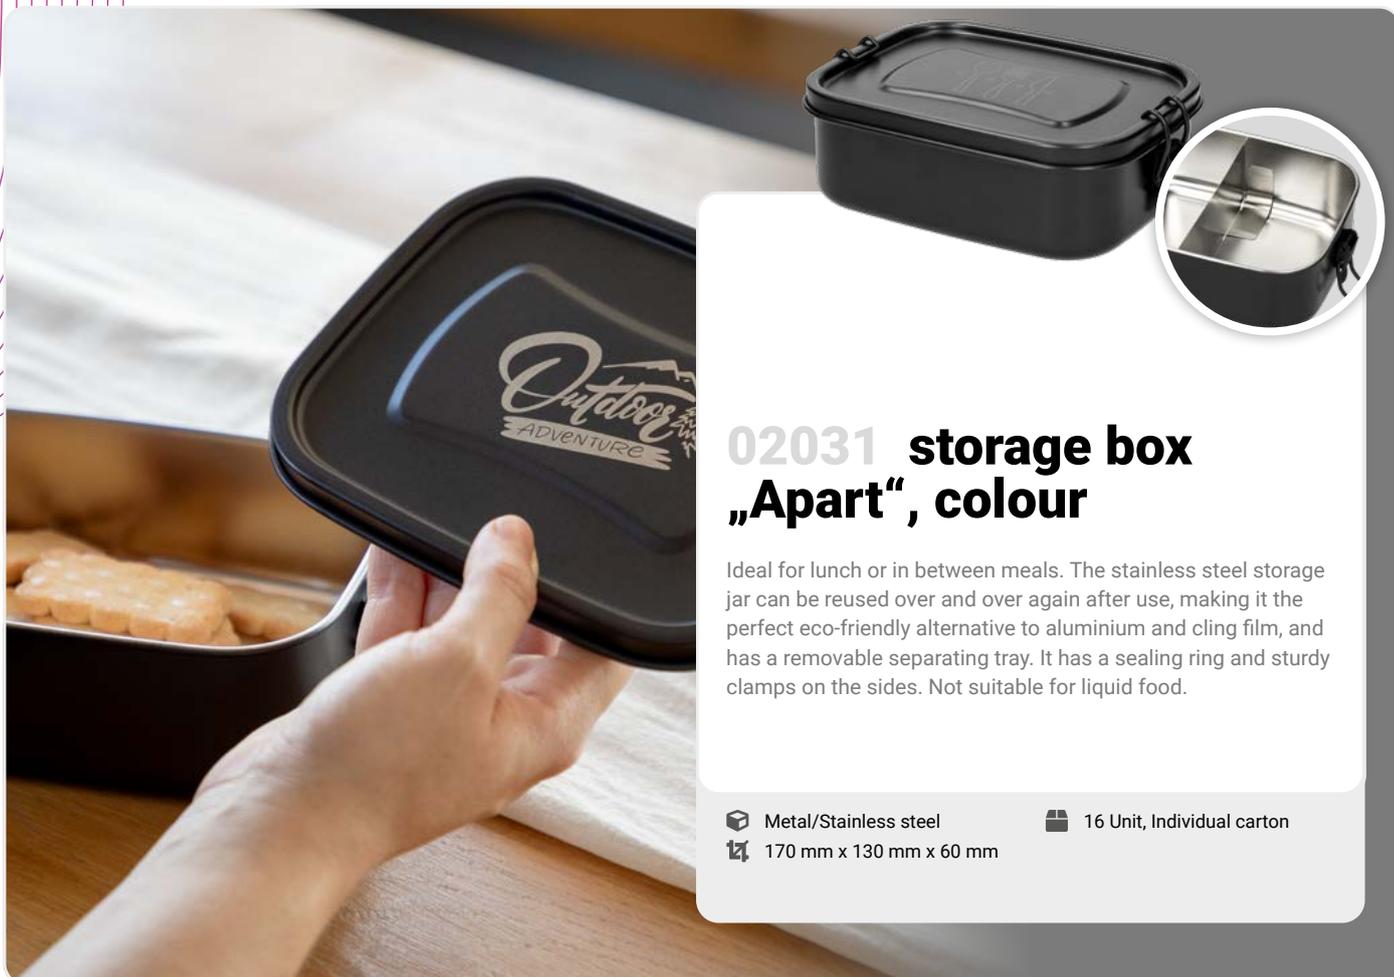

## 01648 Storage container „Double“ 19x13.5x8.5 cm

Ideal for sandwiches or for a snack between meals. The stainless steel storage container consists of 3 parts - a large bowl on the bottom, a smaller bowl on top and lid with a sealing ring. Closes securely with 2 sturdy clamps.

 Metal/Stainless steel  
 190 mm x 135 mm x 85 mm

 25 Unit, Individual carton + Polybag

## 02031 storage box „Apart“, colour

Ideal for lunch or in between meals. The stainless steel storage jar can be reused over and over again after use, making it the perfect eco-friendly alternative to aluminium and cling film, and has a removable separating tray. It has a sealing ring and sturdy clamps on the sides. Not suitable for liquid food.

 Metal/Stainless steel  
 170 mm x 130 mm x 60 mm

 16 Unit, Individual carton

## 02109 lunch Box „Storage“

Ideal for lunch or in-between meals. The stainless steel „Storage“ storage box can be used again and again after use, making it the perfect environmentally friendly alternative to aluminium and cling film. The divider, which splits the box into two halves, ensures that different foods are kept safely separated. The can also has a silicone seal.

 Metal/Stainless steel

 24 Unit, Paper sleeve

 193 mm x 156 mm x 67 mm

## 01713 Glass box „Cerrada“ 17x12.6x5.5 cm

Glass box made of high-quality borosilicate glass with a food grade PP lid and silicone sealing ring. The borosilicate glass bowl is extremely stable, temperature resistant and therefore suitable for refrigerators, dishwashers, microwave ovens and baking ovens. The sealing ring and 4-fold click fastening on the box provide airtight storage of foodstuffs, retaining their freshness for longer. Perfect for storing and transporting food and meals. Safety tip: open all fastenings and remove the lid before you place the glass container in a microwave oven or baking oven.

 Glass/Borosilicate  
 170 mm x 126 mm x 55 mm

 36 Unit, Individual carton + Polybag

## 02138 Storage tin „Heat“, 700 ml

The „Heat“ storage jar offers a practical and safe solution for storing your food. It is leak-proof, microwave-safe and the lid is made of tasteless and odourless plastic. The base is made of robust stainless steel. It is also BPA-free, free from plasticisers and 100% recyclable - ideal for environmentally conscious consumers.

## 02139 Storage tin „Heat“, 1,1l

 Metal/Stainless steel + PP  
 185 mm x 140 mm x 69 mm

 24 Unit, Paper sleeve

 Metal/Stainless steel + PP  
 202 mm x 155 mm x 73 mm

 12 Unit, Paper sleeve

## 01650 Glass box „Balance“, round 17x7 cm

Lovely round box with a base made from high-quality, heat-resistant borosilicate glass. The bamboo lid has a silicone ring, which helps it stay securely on the container. The glass container is suitable for use in the microwave.

## 01651 Glass box „Balance“, round 19x7,5 cm

 Glass/Borosilicate

# Let's recycle together: Our innovative recycling process.

## 1. Return.

We offer high-quality plastic items made using robust materials. But once our products have fulfilled their duties, we are happy to receive them back free of charge, and recycle them fully. All the plastic items we produce can be cleaned and sent back to us at the end of their life.

## 2. Separation by type.

We separate the items to be recycled by colour and type, and grind them up. The resulting granular material enters the production process.

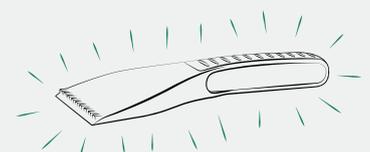

## 3. Delivery into production.

Due to the separation-by-type process and the unchanged structure of the plastic, the recyclate can be added back into the production process without problems. Hardly any other material has such incredible properties.

## 4. A new item.

The recyclate is used to make a new item, and the cycle begins again. Recycled materials that we don't use ourselves are made available for the production of secondary products, leading to the creation of dustbins, for example.

# Products made from 100% recycled material.

Quality  
Made in  
Germany.

The new recycling series impresses with high-quality materials and all that „Made in Germany“. The elegant products offer space for personalised messages and are easy to clean and robust.

## Valuable trays

Anti-slip honeycomb structure provides a particularly secure grip. Both the top and bottom sides are perfectly suited for IMould finishing.

## Menu card- and Beer coaster holder

High-quality menu card holders (square or round) and beer coaster holders with large advertising space on both sides.

## Ice scraper

Remove ice from windscreens in no time at all. Sturdy and handy ice scrapers in various designs and with a large advertising space.

## Car Organizer

For those who love organisation. Practical organizer for less chaos in the car.

## Practical helpers

Whether shopping trolley tokens or tyre tread gauges, these gadgets make everyday life easier and offer the perfect place for advertising.

- ✓ Made from recycled material.
- ✓ BPA free and without harmful plasticisers.
- ✓ Individually finishable.
- ✓ Production with our own green electricity and 100% recyclable.
- ✓ Sustainable production in Germany.

Through the use of recycled materials, we can actively conserve resources. This increases the sustainability of our products and sets an example for the responsible handling of plastics.

NEW!

## 02181 Cutlery holder „Organize“

The cutlery holder „Organize“ is the ideal solution for your table. With 4 practical compartments, it offers space for olive oil, salt and pepper shakers or cutlery. It is easy to transport thanks to the side handles. The integrated blackboard allows you to write special offers or messages with chalk (not included). Made from robust beech wood, it combines functionality and style.

📦 Wood/Beech wood

## 01871 Barbecue set „Party“

Ideal for every grilling enthusiast. This essential grill set in stainless steel contains grilling tongs, grilling fork and grill turner, within an handy storage bag with handles.

 Metal/Stainless steel (420)

 24 Unit, Bulk

 385 mm x 110 mm

## 01797 Grill „Portable“

Foldable aluminium grill with carry handle. The practical portable camping grill is ideal for a barbecue in the park, at a lake, on the balcony or at festivals, anytime you like. It also has space for accessories such as grill lighters or tongs. Ready to use in a few minutes, no tools needed. The angular supports ensure that the grill stands safely. The stainless steel cooking grid inside, size approx. 33.5 x 20.5 cm, can grill food for 4 persons.

 Metal/Stainless steel

 4 Unit, Bulk

 400 mm x 275 mm x 245 mm

## 01894 Grill set „Deluxe“

Attention BBQ lovers! The 20-piece barbecue set includes everything you need for a successful barbecue. The high quality stainless steel grill cutlery set consists of grill tongs, grill fork, spatula, 4 shish kebabs, silicone kitchen brush, 8 corn cob holders, salt and pepper shakers and a wire brush for cleaning the grill. The full set of accessories can be neatly sorted and conveniently transported in a practical aluminium grill case.

 Metal/Stainless steel

 6 Unit, Polybag

 470 mm x 170 mm x 80 mm

## 01423 Grill scraper „BBQ“

Robust wooden scraper made of natural beechwood. This grill scraper is an alternative to dirty grill brushes or wire bristles that may fall off, or even end up on the grilled food or in your mouth. Hot bars on the grill grid burn into the wood slowly, scoring it slightly, and enhancing the cleaning effect. As the scraper adapts to the grill grid, it is suitable for all grill grids and can easily be reused.

 Wood/Beech wood  
 400 mm x 90 mm x 12 mm

 30 Unit, Bulk

## 01869 Barbecue brush

Using the triangular wire grill brush the grill rack can be cleaned simply and effectively, to remove burned-on grease and other residues. Suitable for all types of grill. With hard-wearing stainless steel bristles, plastic handle and leather loop for handy attachment directly to the grill.

 Metal/Stainless steel (201)  
 330 mm x 180 mm

 100 Unit, Polybag

## 01243 Barbecue mat „BBQ“, 2-piece set

Keep things nice and clean at the barbecue with this 2-piece set. Practical barbecue underlay for gas and charcoal barbecues. Also ideal for use as baking paper or a baking mat in the oven. It is reusable and easy to clean with a soft cloth. Made from fibreglass with a Teflon coating.

 Plastic  
 297 mm x 210 mm

 50 Unit, Individual carton + Polybag

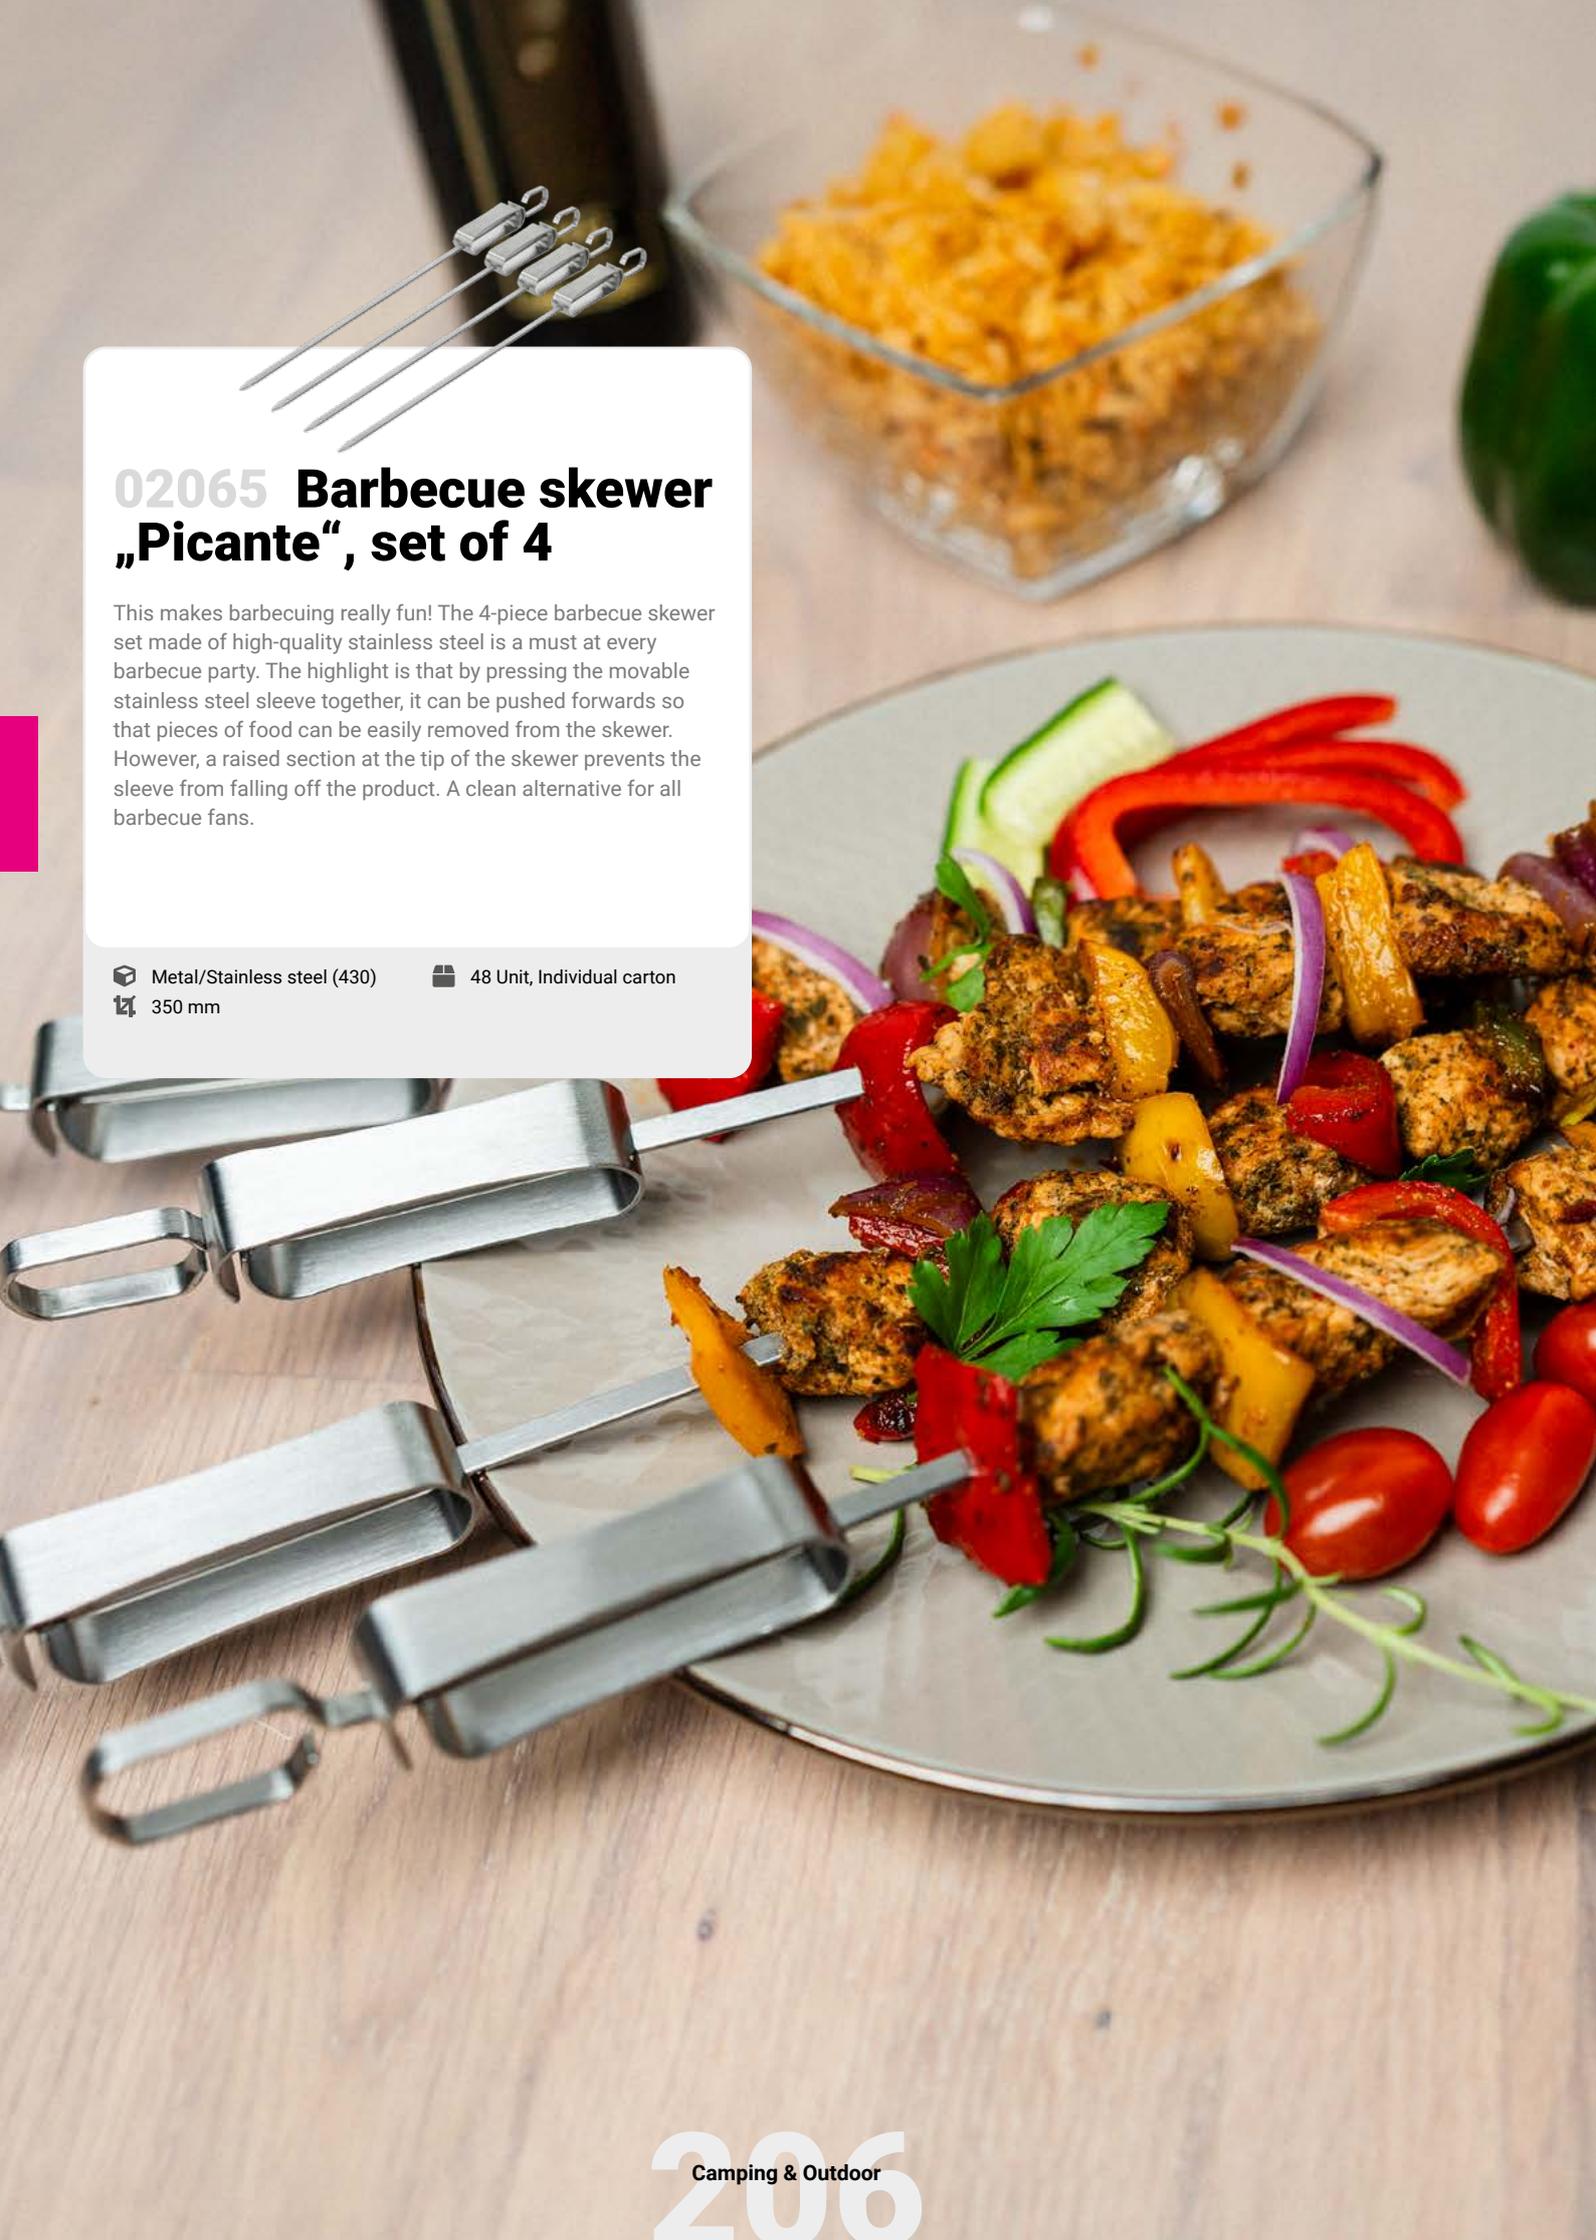

## 01868 Grill barbecue tongs „BBQ“

The classically curved grilling tongs are a handy assistant when grilling or in the kitchen. The notches on the handle and the spring tension ensure optimum handling. The ribbed and internally textured ends of the tongs ensure a safe grip on the food. In matte stainless steel.

 Metal/Stainless steel (304)  
 345 mm x 70 mm

 100 Unit, PLA polybag

## 02065 Barbecue skewer „Picante“, set of 4

This makes barbecuing really fun! The 4-piece barbecue skewer set made of high-quality stainless steel is a must at every barbecue party. The highlight is that by pressing the movable stainless steel sleeve together, it can be pushed forwards so that pieces of food can be easily removed from the skewer. However, a raised section at the tip of the skewer prevents the sleeve from falling off the product. A clean alternative for all barbecue fans.

 Metal/Stainless steel (430)

 48 Unit, Individual carton

 350 mm

## 07482 Grill barbecue tongs „Asado“

Practical and flexible barbecue tongs made of steel with birch-wooden handles.

 Metal/Stainless steel  
 330 mm x 62 mm x 23 mm

 72 Unit, Polybag

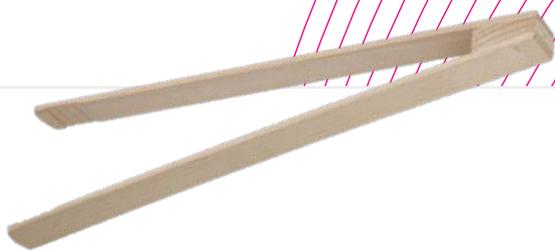

## 01872 Grill barbecue tongs „Oak“

Premium grilling tongs in oiled oak with notches for comfortable handling. Thanks to the ribs at the tip of the tongs, the food remains securely gripped.

 Wood/Oakwood  
 390 mm x 20 mm

 400 Unit, Bulk

## 08665 Barbecue tong „Delano“

Light but robust barbecue tong made from unpainted beech wood. The plain and functional shape with four inboard grooves each guarantees safe turning of the grilled food. Perfectly suitable for CO2 laser finishing.

 Wood/Beech wood  200 Unit, Bulk  
 300 mm x 20 mm x 60 mm

## 01630 Barbeque tongs with bottle opener „Opener“, 43cm

For barbecue pros! Barbecue tongs with integrated bottle opener. The slim and functional shape with four grooves on the inside ensures that food can be turned securely. Also perfect for customisation with CO2 laser. Not dishwasher safe.

 Wood/Beech wood  220 Unit, Bulk  
 430 mm

## 01718 Barbecue tongs with bottle opener „Opener“, 35 cm

For real barbecue professionals! Stainless steel barbecue tongs with integrated bottle opener. Thanks to the stainless steel material, you will enjoy these barbecue tongs for a long time. The tongs have plastic handles to protect your hands from the hot metal when grilling.

 Metal/Stainless steel (430)  50 Unit, PLA polybag  
 350 mm x 25 mm

 150 mm x 110 mm x 1 mm

 500 Unit, Bulk

## 04318 Ice scraper „Ergonomic“

Very sturdy ice-scraper with elegant curve. At one end has a smooth scraping edge and at the other end has scraping teeth for stubborn ice on the windows of the car. Due to its unusual shape, the ice scraper fits perfectly in the hand, thus increasing the impact. The rounded edges will help avoid uncomfortable pressure points on the hand and scratches on the glass.

Plastic/Polystyrene

100 Unit, Bulk

192 mm x 93 mm x 24 mm

## 04229 Ice scraper „Easy“ with water scraper

Ice scraper with extra features. Ice scraper with handle, scraping teeth, smooth scraper edge, water scraper and hole for hanging up.

Plastic/Polystyrene

100 Unit, Bulk

227 mm x 100 mm x 19 mm

## 04303 Ice scraper „Ice witch“

Ergonomic shape and stable. Plastic ice scraper with smooth scraping edge, scraping teeth and handy grip.

Plastic/Polystyrene

100 Unit, Bulk

215 mm x 107 mm x 29 mm

## 01013 Ice scraper „TopGrip - Digital Vision“

A cleverly designed ice scraper - MADE IN GERMANY. The shape of the ice scraper makes it comfortable to use. The anti-slip material on the handle helps to efficiently and quickly scrape off any ice on the windshield. The jagged edges on the top side of the ice scraper easily help to remove thick layers of ice. The handle has one printable plate on each side which can be used for uv-digital printing, thus creating effective advertising.

Plastic/Polystyrene  
220 mm x 100 mm x 27 mm

40 Unit, Bulk

## 01011 Ice scraper „TopGrip - Clean Vision“

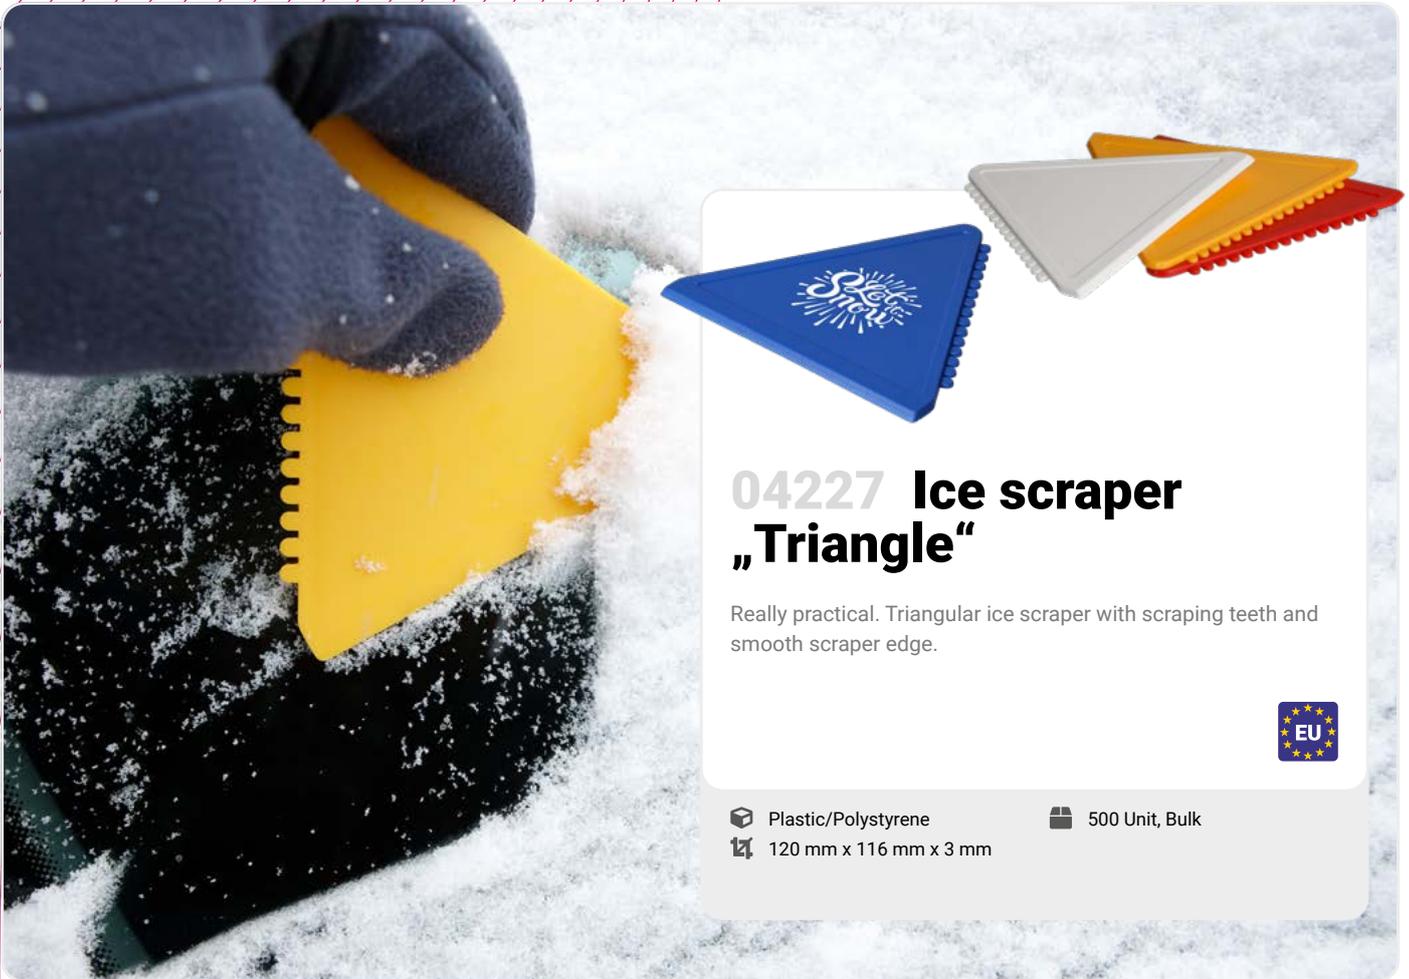

## 01012 Ice scraper „TopGrip - 3D Vision“

01011  
220 mm x 100 mm x 27 mm  
40 Unit, Bulk

01012  
215 mm x 100 mm x 27 mm  
40 Unit, Bulk

## 04227 Ice scraper „Triangle“

Really practical. Triangular ice scraper with scraping teeth and smooth scraper edge.

Plastic/Polystyrene

500 Unit, Bulk

120 mm x 116 mm x 3 mm

## 04225 Ice scraper „Square“

Flat, square ice scraper with large advertising space, scraping teeth and smooth scraper edge. IMould labelling possible.

Plastic/Polystyrene

250 Unit, Bulk

147 mm x 103 mm x 3 mm

## 05415 Ice scraper „Trapeze“

Perfect for removing ice from wing mirrors thanks to the narrow side with scraping teeth. Also offers a large advertising space and a smooth scraping edge on the wider side. IMould labelling possible.

Plastic/Polystyrene

250 Unit, Bulk

123 mm x 110 mm x 3 mm

## 04305 Ice scrape „Wave“

Ice scraper with unusual scrape, 2 scraping edges and large advertising space. One smooth scraping edge and one edge with teeth.

Plastic/Polystyrene 100 Unit, Bulk  
116 mm x 124 mm x 24 mm

## 04304 Ice scrape „Delta“

Smooth scraping edge and scraping teeth in triangular shape.

## 01938 Insulated bag „ToGo“

Sturdy delivery bag made from recycled polyester - including handy Velcro fastener for closing up securely. High-quality insulation means that food is kept at just the right temperature. This insulated bag with its strong handle is a perfect complement to the elastoREuse range. For example, it fits 6 large meal boxes (01743), 4 large food bowls (01965) or 4 large meal boxes (01743) plus 2 burger boxes (01744) perfectly, as well as many other combinations.

 Textile/Recyclates 600D polyester

 16 Unit, 16 pcs. In a polybag

 440 mm x 270 mm x 300 mm

## 08448 Cooling basket „Thermo“

Useful basket featuring a light and stable aluminum frame, continuously sewn with non-tear polyester on the outside and insulating coating on the inside. The insulation is further supported by the all-round zip of the lid. Furthermore, the lid can be rolled up using the hook-and-loop fastener which facilitates filling and emptying the basket. The foldable handle is coated with soft EVA for comfortable carrying.

 Textile/Polyester 600D

 10 Unit, Polybag

 480 mm x 275 mm x 230 mm

## 08367 Shopping basket „Chapeau“

Keeps everything inside. Great, stable shopping basket with aluminium frame and polyester covering, incl. zipper compartment on the outside and rigid bottom. Two nets can be attached to the two foldable handles using Hook and loop fasteners. The nets are attached via zippers at the basket itself. Useful and at the same time flexible.

 Textile/Polyester 600D

 10 Unit, Polybag

 455 mm x 265 mm x 245 mm

## 08451 Shopping basket „Vigo“

In this way, shopping is fun. Spacious, rectangular shopping basket featuring a light and stable aluminum frame, continuously sewn with double-layered polyester. The foldable handle is coated with soft EVA for comfortable carrying.

 Textile/Polyester 600D  
 455 mm x 265 mm x 230 mm

 10 Unit, Polybag

## 08402 Shopping basket „Silandre“

A round affair. Sturdy shopping basket with round aluminum frame, completely seamed with robust polyester. The foldable handle is coated with soft EVA for comfortable carrying.

 Textile/Polyester 600D  
 485 mm x 410 mm x 30 mm x  
Ø 400 mm

 10 Unit, Polybag

## 06520 Bottle bag „Six 4 You“

With 2 handles and space for 6 bottles. The sewn-in bottle separator prevents broken bottles and noise when transporting glass bottles. Suitable for 1,5 L PET

 Textile/Recycled NonWoven  
 300 mm x 200 mm x 300 mm

 200 Unit, Bulk

## 06519 Bottle bag „Deluxe“

Light, folding bag with space for 6 bottles in separate compartments. The reinforced handle also ensures safe and pleasant carrying. Ideal for bottles (1,0 Litre) bought separately.

 Textile/Recyceltes 600D polyester  
 280 mm x 240 mm x 160 mm

 100 Unit, Bulk

## 07448 Bottle bag „Felt“

Sturdy drink bag made of recycled polyester felt: Capacity to safely store up to 6 drinking bottles (each max. 0.70 litres). The dividers prevent annoying clinking and protect the drinks bottles from damage. Includes wide handle for easy and convenient transport.

 Textile/Recycled polyester-felt  40 Unit, Bulk  
 260 mm x 140 mm x 160 mm

## 01079 Felt basket „Mika“, large

Perfect for organising, reducing clutter and ideal for bathroom products, bits and bobs, media and office supplies and much more. Large, folding felt basket in the colour anthracite, with piping on the top edge. Includes base insert for even greater stability.

 Textile/Polyester-felt  32 Unit, Polybag  
 360 mm x 140 mm x 250 mm

## 01770 Laundry bag „Jumbo“

Practical laundry bag for cleaning home and pet textiles. It is quick drying and made of recycled, dense twill fabric that allows water and soap to pass through. This allows the contents to be cleaned gently. Thanks to the practical full-width zip, the laundry bag can be conveniently filled and easily hung up to dry or collect laundry.

 Textile/RPET  80 Unit, RPET-polybag  
 700 mm x 800 mm

## 01199 Bag „Bionda“

Hip bag made from 100 % cotton. The high 400 g/m<sup>2</sup> fabric weight and the round base allow the bag to stand up independently. Can be used open with the edge folded down, for example in the bathroom for the storage of haribrushes, or in the kitchen as a bread bag. With a drawstring for easy closure. Load capacity: max. 3 kg.

 Textile/Cotton

 200 Unit, Bulk

 325 mm x 315 mm x Ø 190 mm

## 01030 Bread bag „ECOCARE“

THE alternative to plastic bags! Ecological cotton bag with drawstring for the environmentally friendly transport of bread, pastries and bread rolls. Load capacity max. 5 kg.

 Textile/Cotton

 300 Unit, Bulk

 380 mm x 310 mm x 5 mm

## 01085 Fruit and vegetable bag „ECOCARE“, medium

An ideal alternative to disposable plastic bags! This lightweight Polyester bag with drawstring is perfect for taking with you for shopping and for carrying fruit and vegetables. Washable at 30°C. Load capacity: max. 3 kg.

## 01086 Fruit and vegetable bag „ECOCARE“, large

# SAFETY for life.

## **Safety for life – competent solutions for challenging issues.**

Stay safe, stay healthy. We present the expansion of our product range to include a variety of protective articles – including in-house mask production 'Made in Germany'. Originally launched in response to supply bottlenecks during the coronavirus pandemic, our specialisation in this area enables us to react quickly and flexibly to challenging issues. We stand for fast and uncomplicated production in compliance with the highest quality standards.

# Respiratory Mask.

## FFP2 and FFP3.

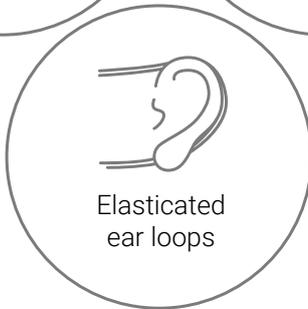

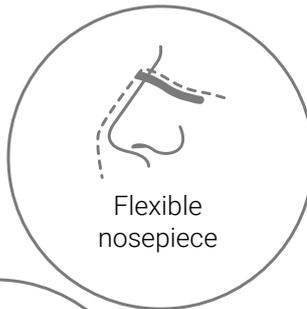

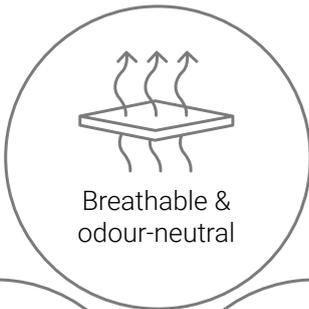

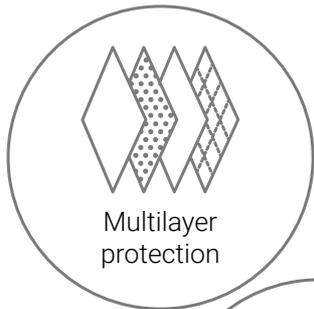

Quality  
Made in  
Germany.

### CERTIFIED

In accordance with Regulation (EU) 2016/425 and the European EN 149:2001 + A1:2009 standard.

**ALSO INCLUDES PRINTED MASKS.**

**01992 Respiratory Mask „easy2breathe“ FFP2 NR**

### Our quality promise.

- Production and Material – 100% Made in Germany.
- High-quality processing in accordance with European standards.
- Highest standards with regard to environmentally-friendly and hygienic production processes, packaging and storage.
- Uncompromising and consistent quality checking for the most exacting requirements and security.

### Your benefits.

- The use of high-quality German filter fabrics means that there is no need for redundant additional filter layers. This makes breathing and the long-term wearing of the mask much more pleasant than with the majority of other models.
- Safe and effective protection for the wearer against particles, liquids and solid aerosols.
- Free from glass fibres, latex and odours.
- Extra skin-friendly non-woven fabric with very low breathing resistance, a higher level of comfort and an exceptional fit.

**Respiratory masks – production on request.**

## 01493 Face visor „Protection“

Generous facial shield offering a high level of comfort. The visor folds up, with 4 different levels. The size of the strap can be adjusted thanks to a snap fastener. The clear visor can be removed from the headband and replaced, which enables simple cleaning. Protects the eyes, mouth, and nose from aerosols, liquid splashes, and dust. Visor 5-Pack - Refill Pack 01494

 Plastic/PET-G + PP  
 260 mm x 235 mm x 220 mm

 20 Unit, Polybag

## 01458 Facial shield „Premium“

Generous facial shield offering high comfort. Size-adjustable due to the flexible elasticated band and the clamp, which can be used to adjust the band length. The transparent shield can be separated from the head bracket in order to replace it. The soft foam at the forehead ensures a pleasant feel against the skin. Protects the eyes, mouth, and nose from aerosols, liquid splashes, and dust.

 Plastic/PET-G  
 225 mm x 200 mm x 145 mm

 31 Unit, Stretch foil

## 01496 Mouth and nose shield „Gastronomy“

With its large size, this mouth and nose shield protects the wearer and those in the vicinity from aerosols and fluids that may be emitted when talking. Its large chin resting area and adequate supply of fresh air make it extremely comfortable, and especially suitable for use in the gastronomy sector. The shield can be separated from the holder on the chin and easily cleaned with a damp cloth and/or disinfectant. The shield can also be replaced as required. (01543 - Replacement visors, set of 5)

 Plastic/PP + PET  
 150 mm x 110 mm x 70 mm

 50 Unit, Polybag

## 01430 Safety goggles „Safety“

These „Safety“ protection glasses will win you over with their functionality and design. The scratch-resistant lenses are made from high-quality tritan, ensuring that they can deliver high comfort for a long time. They are break-resistant and offer reliable all-round protection for the eyes thanks to their raised lenses. Also suitable for people who wear glasses. Individually boxed. Compliant with (EU) regulation 2016/425 on personal protective equipment, Class II (protection against moderate risks) EN 166:2001.

 Plastic/Polycarbonate  
 166 mm x 30 mm x 40 mm

 50 Unit, Individual carton

## 01522 Protection glasses „Protection“

The „Protection“ protective glasses will impress you with their functionality and design. The TPE frames fit the contours of the face. The exceptionally clear lenses are made of PC and feature an anti-scratch-coating. The integrated ventilation slits in the frame prevent the glasses from fogging. The wide and stretchy strap can be flexibly adjusted in length using the tabs, offering exceptional comfort. Certified in line with (EU) Regulation 2016/425 for personal protective equipment, category II (protection against medium risks) EN 166:2001.

 Plastic/TPE + PC  
 174 mm x 84 mm x 69 mm

 50 Unit, Polybag

## 01491 Key fob „Safe contact“

Perfectly suitable for contactless operation of light switches, PIN pads, cash machines, or opening doors. This key fob can easily be attached to your keyring, ensuring that it is always on hand and ready for use. Reusable, as it can be cleaned with detergent and even disinfectant.

 Plastic/Polystyrene  
 100 mm x 50 mm x 3 mm

 250 Unit, Bulk

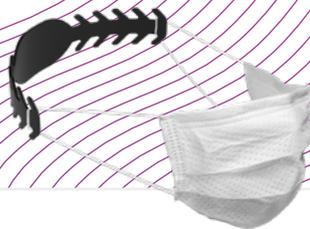

## 01921 Mask holder „helmet“

Mask on and mask off. When you have a helmet on, this becomes a bit of a challenge on the ski lift. The simple helmet attachment means the mask holder is ready for use quickly and easily. Suitable for almost all helmets.

Plastic/ABS  
27 mm x 25 mm

1000 Unit, 2 pcs. in a polybag

## 01492 Mask holder „Comfort“, medium

Avoid painful ears after wearing your mask for a long time. This holder shifts the load away from sensitive ears and towards the back of the head. It is suitable for use with all commonly used breathing masks. Thanks to the number of hooks, your mask can be perfectly adapted to fit the size of your head. The mask holder can be cleaned with a cloth and detergent. It can also be cleaned with disinfectant. This ensures that it can be reused any number of times.

## 01740 Mask holder „Comfort“, large

Plastic/Polypropylene  
145 mm x 25 mm

2000 Unit, Bulk

Plastic/Polypropylene  
184 mm x 25 mm

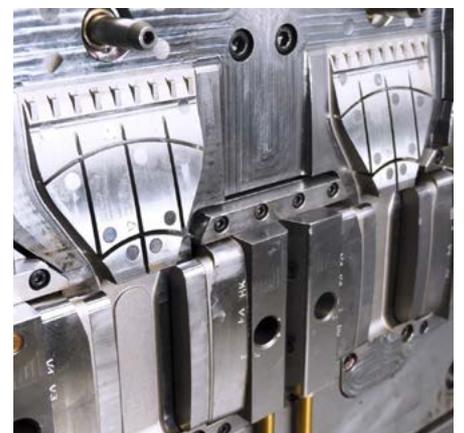

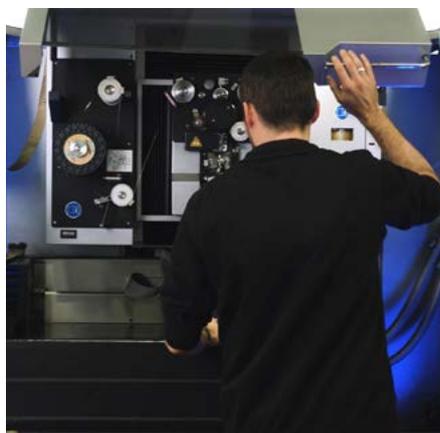

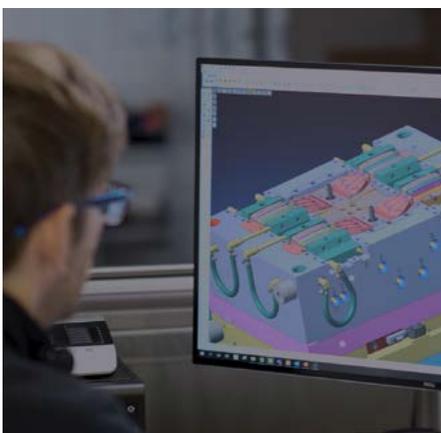

2000 Unit, Bulk

## **Customised solutions in all branches of industry.**

Whether it is 3D prototyping, individual or overall project work, technical advice, repairs or the supply of spare parts - elasto offers individual options as well as comprehensive service from a single source.

Flexibility and speed are top priorities at elasto toolmaking: Thanks to „Made in Germany“ production and modern machinery, 5-axis CNC milling, wire cutting, deep-hole drilling, die-sinking EDM and rapid prototyping are possible.

# CUSTOMISED products.

## **We turn your ideas into reality with unique branding.**

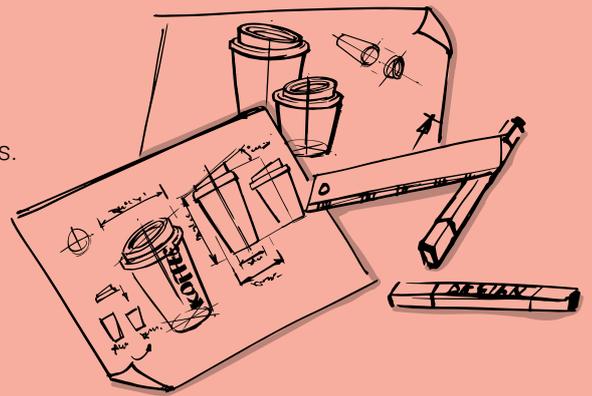

We create and develop the complete solution based entirely on your ideas and requirements, ensuring that everything is 100% customised and from a single source. We give your ideas a special edge. Within a very short time, we are able to produce unique articles ready for series production. We place particular emphasis on customer proximity and personal consultation throughout the entire process.

# Preparation for production.

## Development, technology and quality.

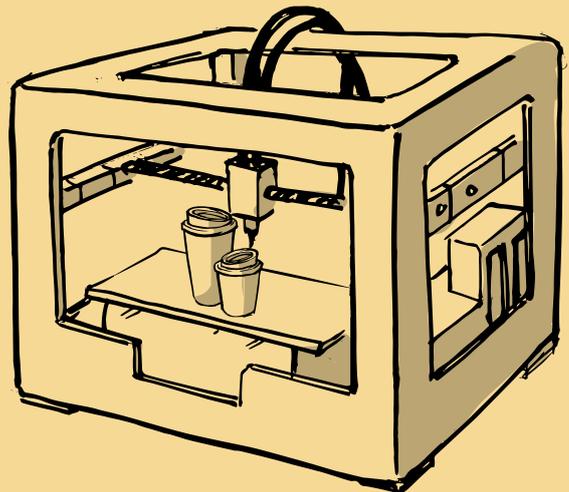

- Creation of a 3D design and determination of the printing dimensions.
- Inspection and project approval by Factory Audit (manufacturer qualities, QM system, production execution).
- Finalisation of printing dimensions and embossing fields.
- Creation of 3D prototypes and samples.
- Conduct of adhesive and behavioural testing.
- Sampling of the desired colour shade.

# The manufacturing process.

## Production and finishing.

- Tool sampling.
- Finalisation of the quantities.
- Production in the injection moulding shop in 3-shift operation.
- Customer approval based on a pre-production sample in the ongoing manufacturing process.
- Extensive visual inspection of all production parts.
- Determination of the finishing process in the print shop.
- Production in 2-shift operation.
- Meticulous quality control of the printed products.
- Production of instructions, stickers, etc.
- If necessary, assembly of individual parts.
- Quality control.

# Completion.

## Service from the beginning to the end of the order. And beyond.

- Final product inspection.
- Packing in polybags and outer cartons.
- Labelling according to required standard.
- On-time delivery, if desired in partial deliveries.

# Guidelines & Regulations.

## Toys.

All offered children's toys comply with the European Directive 2009/48/EC on the safety of toys and the EN 71 series of standards. Toys may be unsuitable or dangerous for children of a certain age due to their function, dimensions, features, characteristics or other reasons. To further improve safety, the toy comes with warnings informing the consumer of the potential danger posed by the toy.

The following are the warnings that apply to the individual articles. Next to the offered items in this catalogue are small numbers that match the listed warnings.

1. Attention! Not suitable for children under 3 years, because of small parts that can be swallowed. Choking hazard!
2. Attention! Not suitable for children under 3 years. Risk of injury due to long cord.
3. Attention! Not suitable for children under 3 years. Danger of strangulation and tripping due to long cord. Do not use near power lines or during thunderstorms.
4. Attention! Use under the direct supervision of adults. Not suitable for children under 3 years. Danger of falling! The Schneeflitzy requires great skill in steering and braking, so learn to use it on flat, safe terrain. Use only by one person at a time.
5. Attention! Use only in shallow water under adult supervision. This is not a buoyancy aid! No protection against drowning!
6. Attention! Do not aim at eyes or face.
7. Attention! Use under the direct supervision of adults. Liquid can be swallowed!
8. Attention! Sharpener contains a sharp edge due to its function. Risk of injury!
9. Attention! Not for transporting children!

## 0+ to 8+

All information with „+“ is to be understood as an age recommendation or as an educational note.

## Sporting items, fan items, decorative items.

The sports, fan and decorative items offered in this catalogue are sold as such. In order to prevent possible confusion with toys, these items are marked with the following inscription.

**Sport** „Sporting goods - Not toys!“

**Fan** „Fan items - Not a toy!“

**Deco** „Decorative items - Not a toy!“

## REACH.

All offered articles comply with the European Regulation No. 1907/2006, Registration, Evaluation, Authorisation and Restriction of Chemicals. The EU's objective is to produce and use chemicals in such a way as to minimise adverse effects on human health and the environment.

## Customer information.

We hereby confirm, in accordance with Article 59 (1, 10) of the EC- Regulation number 1907 / 2006 (REACH), that articles delivered by us do not contain substances of the candidate list above 0.1% mass. We undertake to regularly compare our products with the substances specified in the candidate list in accordance with the REACH Regulation. Insofar as we determine that our products comply with Art. 33, we will inform you about this immediately and take appropriate measures in individual cases.

# General information.

Please understand that we do not have the items in stock in all colours of our standard colour palette. Ask our sales staff for the available colours, minimum quantities and colour surcharges. We print exclusively with physiologically harmless inks. The disposal of the paints and screens is carried out in a closed system. Screens are recycled after use for technical reasons. For repeat orders, the sieve must be recreated and calculated.

For imprints, we need a copyable black-and-white original or a film 1:1, with transfer motifs reversed. In the event of necessary changes to your originals or multi-colour films, we will charge you the lithographic costs incurred by us. However, we will inform you in advance and make the changes only with your permission. It is also possible to create individual designs and final drawings on request. These will be invoiced by us at cost. An exact reproduction of the desired shade depends on the colour and condition of the item. For darker surfaces, white may be required.

Deliveries to new customers and abroad are made against prepayment or cash on delivery or irrevocable letter of credit.

The contractual relationship shall be governed exclusively by the laws of the Federal Republic of Germany. The UN Convention on the International Sale of Goods (CISG) and the referral provisions of German Private International Law (IPR) do not apply.

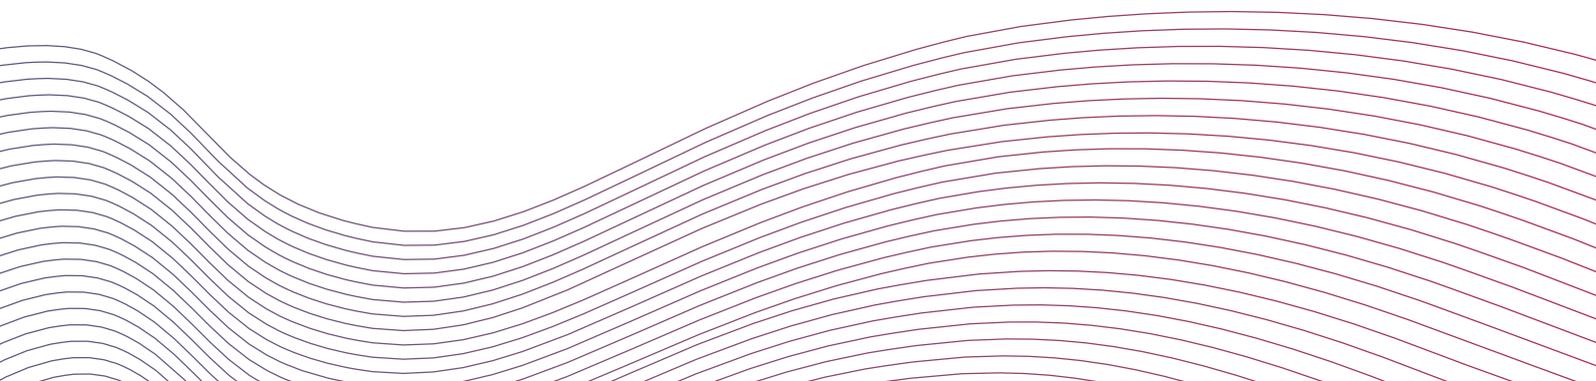

Errors and misprints excepted.

## Current Situation.

Significant global constraints and delays remain in global supply chains. In addition, there is a shortage of freight rates from Asia to Europe. These circumstances are beyond our control and we have no control over them. Despite the best possible planning and constant communication with our suppliers and freight forwarders, delivery delays and price adjustments due to increased procurement costs unfortunately may continue indefinitely. Should this be the case, we reserve the right to adjust the prices and/or delivery dates mentioned in the catalogue accordingly. Unfortunately, this cannot currently be avoided and we ask for your understanding.
